PETITION FOR REVIVAL

Dear sirs:

Enclosed, herewith, is an additional copy of a Petition for Revival as a supplement to the same Petitions that I faxed to the U.S. Patent Office on November 3rd and November 8, 2004.

Both of the petitions faxed came back with a confirmation that one page was received despite my fax machine showing that all of the pages were successfully sent and received. To date, however, I have received no indication that the full petition was received or any notice that the Patent Office received one page and requesting the remainder.

Therefore, I am submitting, herewith, a further duplication of the petition faxed on November 3 and November 8 to insure that the Petition is, indeed received in the Office of Petitions and will be acted upon. I am in the process of listing my current patent applications for the Private PAIR system, however, to date, I cannot access that system to learn the status of the present petition.

Respectfully submitted,

Roger M. Rathbun,

STATEMENT THAT DELAY WAS UNINTENTIONAL

The undersigned attorney of record, hereby declares:

1. That he is the attorney of record of the above-identified patent application and that he has been responsible for the prosecution thereof.
2. That he received a Notice of Allowance in the application on or about July 16, 2004.
3. That, in response to that Notice of Allowance, he prepared and forwarded a Part B, Fee(s) Transmittal to the U.S. Patent Office on August 20, 2004 charging the Issue Fee and the Publication Fee to Deposit Account 500575, a copy of which is attached hereto as Exhibit A. A copy of the return postcard is also attached as Exhibit B indicating to him that the fee had been received and paid.
4. That, unknown to him at the time, the Deposit Account had been inadvertently overdrawn and there were insufficient funds in the account to cover the charges for the Issue Fee and the Publication Fee.
5. That when he became aware of the error, the time to pay the aforementioned fees had expired and he was not aware of the lack of payment in time to make corrections.

6. That he believes that the present abandonment is based on the lack of funds in the Deposit Account since the proper papers were otherwise filed in the U.S. Patent Office.

7. That the payment was made in good faith belief that there were sufficient funds in the account and that that the delay in payment of these fees was unintentional.

8. That he received the Notice of Abandonment within the last two working days and therefore submits that the present Petition is timely filed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
